General Terms and Conditions

1. As used herein, (a)"Seller" means the legal entity that is listed on the first page of the Sales Quotation/Contract, (b)"Purchaser" means the person whose offer is accepted in writing by Seller.
2. All sales by Seller to Purchaser are subject to the approval of Seller's authorized representative and credit department. All quotations are made in accordance with Seller's interpretation of Purchaser's plans and specifications. Quotations are subject to correction for errors. Deviations from quantities may modify quoted prices.
3. This quotation is void unless accepted in writing by Purchaser within 30 days from the date of the quote.
4. Loading and Deliveries- Loading Hours are 7:00am to 4:00pm Monday through Friday. Hours are subject to change and accommodations with approval of Seller may be made for loading and hauling at times other than normal business hours.
5. Delivery- Purchaser has the option to determine the means of transportation to destination. Purchaser shall give seller adequate delivery instructions at least 48 hours before delivery is needed. Customer agrees to provide safe and suitable site conditions and or approaches to points of delivery. If Purchaser requests delivery beyond the curb line, Purchaser shall hold Seller harmless against all claims and liabilities for damage resulting from delivery.
6. Material prices include loading and weighing F.O.B our aggregate plants and are subject to all applicable taxes. Haul prices will be quoted on request and are based on a 15-ton minimum haul charge. The price of material is the same to Purchaser regardless of who arranges transportation. We reserve the right to impose additional haul charges for deliveries to sites other than those specified. Hourly haul rates may be imposed for wait time incurred by the trucking company due to the Purchaser not being ready for the load.
7. Delays- Seller shall not be responsible for delays in or prevention of its performance due to weather, fire, explosion, flood, acts of god, strikes labor disputes, riots, governmental regulations, disruptions of usual source of supply, transportation and causes beyond its control.
8. Concrete aggregates are warranted to meet the applicable ASTM specifications at the time of delivery to Purchaser. Seller makes no other warranty or representations, either expressed or implied on any other product.
9. No aggregates ordered and accepted may be returned for credit.
10. Accounts become delinquent if not paid within 30 days of invoice date. 1 ½% per month interest will be charged on all delinquent accounts.
11. Seller may recover from Purchaser, in addition to all amounts owed for material, services and interest, all of Seller's cost of collection including, but not limited to reasonable attorney's fees.
