1 1/2 X 3/4 CRUSHED CONCRETE	27.79

**Allied Demolition, Inc dba Allied Recycled Aggregates (Allied), Conditions / Exclusions**

The above prices EXCLUDE any applicable taxes.

This quote is good for 30 days unless otherwise stated.

**All quotes are subject to material availability.**

Customer shall provide a safe job access, including but not limited to, NO overhead wires or obstructions.

Delivery prices assume trucks can arrive on the job and dump immediately. Extended waiting time will be charged at standard hourly rates.

Delivery prices do NOT include increased wages for pre-determine wage requirements unless otherwise stated.

Quote totals are based on the above material price and tonnage. Other tonages are based on the material and delivery unit prices.

All delivered prices assume 13.5 tons for tandem, 25 tons for end dumps and 22 tons for belly dump trailers (Full Loads). Quantities above these maximums will require additional loads. Loads under the Full Loads shown above will be charged as if they were Full Loads.

Belly dump trailers are charged a 4 hour minimum at the standard hourly rate even if the delivery is priced by the ton.

'HAUL BACK' Rates only pertain to concrete or asphalt debris loads hauled back when materials are delivered.

All quotes are subject to Allied's credit policy and terms.

By law, Allied Recycled Aggregates must have a copy of any tax exempt certificate at the time of purchase, in order to not charge sales tax, otherwise taxes are due and payable within credit terms or at the time of sale.

Allied is NOT responsible for broken concrete on driveways and/or streets and/or curbs when instructed to cross curbs to dump.

Asphalt millings with Petromat, or like products, NOT accepted for disposal.

**If you don't see the material you are looking for, call or visit our website.**
