Dear Members

I apologize in advance, but tomorrow's meeting will be informational only. As the board continues to work towards compliance, one of the key issues brought up by counsel is the requirement for written notice. We cannot vote on budgetary issues without providing notice as prescribed in the Colorado Common Interest Ownership Act. We intend to get those notices out ASAP and will schedule that vote for early January. We will look at options to help simplify this process in the future.

Please review the slides attached, we will discuss them live tomorrow night. If you have some questions or comments before the meeting, please feel free to send them to board@rooseveltridgehoa.com.

Thanks
