Thank you Charlie SO MUCH for getting engaged

we are effectively going to close the issue out.

Daurice at County has the attachment with the signed redemption forms (separate email) and the tracking number so all is good.

She already logged in and is tracking the package.

Thank you so much and looking forward to meeting you in person.

Hi Scott:

Daurice was adamant that she wanted a picture of the FedEx shipping invoice or she would not hold the land.

I worked 10 years for FedEx, so I know that tracking number is better than a pic.

But she said, no pic, no deal.

Dear Daurice

Here is the signed redemption form. I used both my old address of record, and my new address- hence two copies of the same form.

The FedEx tracking number is:

784554525654

thank you

Scott

Hi Scott,

Attached is a redemption form for Parcel C in Roosevelt Ridge Filing 2.

This property is due to be transferred through a Treasurers Deed tomorrow (12/20/18).

To stop this process our office must receive payment plus the original signed redemption form by tomorrow.

We require you to provide proof that you have overnighted the completed redemption form to us via usps/fedex/ups. Please take a picture with your phone or scan and email the shipping receipt for proof.

If we do not receive proof of shipping by close of business today we will proceed with the Treasurer's Deed tomorrow.

Please contact us if you have any other questions.
