Hi Scott,
Attached is a redemption form for Parcel C in Roosevelt Ridge Filing 2.

This property is due to be transferred through a Treasurers Deed tomorrow (12/20/18).

To stop this process our office must receive payment plus the original signed redemption form by tomorrow.

We require you to provide proof that you have overnighted the completed redemption form to us via usps/fedex/ups. Please take a picture with your phone or scan and email the shipping receipt for proof.

If we do not receive proof of shipping by close of business today we will proceed with the Treasurer's Deed tomorrow.

Please contact us if you have any other questions.
