BOD-

The tractor has sprung an anti-freeze leak! Was able to only plow from our drive to Quentin. The wind has now picked up, so will have some drifting. Dan will be looking at it in a bit after it cools.

Idea: what about Thaddeus?

Also, as of this am, the county has not plowed up here. So would be a challenge to even get to/out of Roosevelt Ridge.

Will keep you informed.

Good morning Dori,

The board has agreed to authorize you to perform snow removal from on Roosevelt Ridge Road at \$50/hr. This is purely voluntary work to cover this snow event, the intent to facilitate access to the community in the event of an emergency. If you have any questions, please feel free to reach out to me.
